

'Be who God wants you to be and so set the world on fire.'

Holy Week 2023

Holy Week 2023 has been a very special and reverent time for our children. We have led a number of reflective events and activities to help our children to deepen their understanding of Jesus' journey to his crucifixion and resurrection. Children have worked 'off-timetable' this week to learn more about the Easter story and its impact on us today as God's children.

Our learning culminated in our Easter reflection, led by our KS2 children. Each class created a performance based on a section of Jesus' journey through Holy Week, starting at Palm Sunday. Our younger children in Early Years and KS1 toured the school and church to watch these performances and reflect on Jesus' journey.

At the end of each performance, each class joined in to say:

Leader: We adore you, O Christ, and we praise you,

All: because by your Holy Cross you have redeemed the world.
