News from St. Catherine's R.C. Primary School

'Be who God wants you to be and so set the world on fire.'

Thank you!

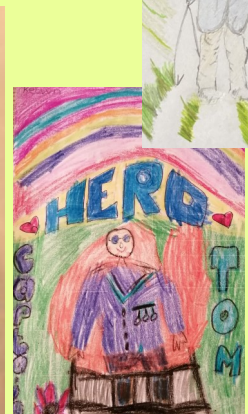

What a strange half term it has been. We managed to come together in school for just one day before we had to close our doors again on 5th January. However, we have been so proud of how our community have responded to the challenges that a second period of school closure has brought.

It's so hard for parents as you try to juggle your work commitments alongside supporting online learning.

It's so hard for staff who just want to be back in the classroom with the children learning together.

It is so hard for the children who need the social interaction with their friends and the support of the team in school to keep them going. Hopefully, we will hear soon that schools can reopen—we are certainly praying for the day we are reunited again.

A Lenten Message from Bishop John

It was lovely to watch the video message from Bishop John to all primary schools today. He reminded us that during half term next week the season of Lent begins. Bishop John also talked about the importance of friendship and to appreciate the good things that we have. Please [follow this link](#) to see the whole of his message.

Building Work

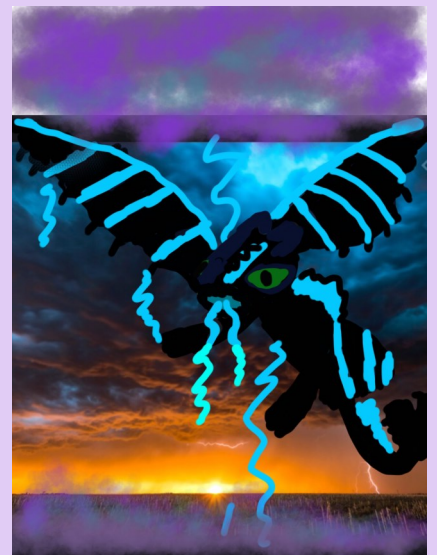

The building work is progressing well as you can see. This will provide one new classroom next to Mr Bannister's Class and in the next phase the main entrance to school will be relocated to what is currently the back of the school sit. This will mean that visitors will no longer have to cross the playground to gain access when school is in operation.

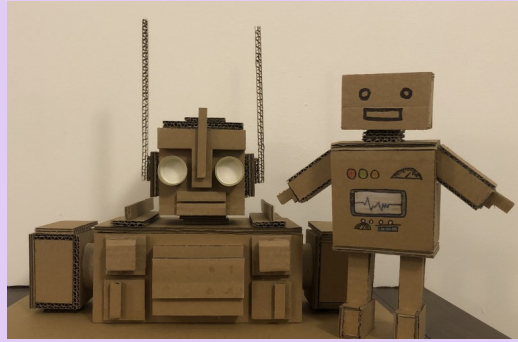

The remainder of this newsletter gives a flavour of all the wonderful learning our children have been doing this half term. Well done to everyone!

Next half term we will have the joy of
Storytelling week as well as all our
Lenten activities.

Remember, not everything is locked down...

Sun is not locked down.
The season is not locked down.
Love is not locked down.
Relationships are not locked down.
Reading is not locked down.
Learning is not locked down.
Music is not locked down.
Devotion is not locked down.
Imagination is not locked down.
Creativity is not locked down
Conversations are not locked down.
Kindness is not locked down.
Hope is not locked down.
Everything is not locked down

**Enjoy the important things and have a
wonderful half term. Keep safe and God bless.**
