Invitation to Online Safety Parent Workshop

Dear parents and carers,

St. Catherine's RC Primary School is fully committed to the digital safety and wellbeing of our children. As part of this, we are inviting all parents to a workshop dedicated to helping parents understand the risks their children face in their online lives and the practical things parents can do to help.

Please join us for this hour-long workshop in which Katherine Howard, Head of Community and Wellbeing at Smoothwall, will provide you with lots of valuable insights and tools.

The workshop will include:

- Information on the latest apps and games your child may have access to.
- The harmful content your child may be exposed to.
- How you can help your child to safely navigate online risk.
- How to access our brand new and FREE Online Safety Hub with dedicated guidance for parents.
- An introduction to a parental app that allows you to control what your child sees online, if they are at risk, plus other important features.

Workshop Date: Thursday 17th November

Time: 6.30-7.30pm

To join this special workshop please find below the link for the session.
